Exciting times are coming to our community. In a week our first Face to Face Encounter will be starting. The dates are August 14, 16, 21 and 23. Please be in prayer for the pilgrims going on the Encounter as well as the team. The team has been preparing and figuring out how to put on an Encounter for the last year or so. Kudos to John and Kittie Mann, the steering committee, and the team for taking on this challenge to start up a new ministry. You can see the names and positions of the team in this newsletter.

If you are new to Face to Face, it is a Walk to Emmaus-like experience geared towards older adults and those facing end of life issues. The talks are mostly the same and they have many of the same events as a Walk to Emmaus.

You too can be involved in the first Face to Face encounter – and we need you. We are looking for the Community (that is you) to show the love of Jesus at Candlelight.

Candlelight is at 1:30 on Tuesday, August 21 at FUMC. We will meet in the FUMC sanctuary and prepare for the pilgrims' arrival. If you have been to a Walk to Emmaus Candlelight service – we are going to do the same things – it'll just be at FUMC and it will be light outside.

We also need you at Closing which is on August 23 at 1:30 at FUMC

in the Sanctuary. Same basic format as a Walk to Emmaus Closing – come and hear what God did during the Encounter to bring the pilgrims closer to Him.

This Fall we have two Walks to Emmaus that are also happening at Camp Happyland. We need pilgrims for both of these walks. The dates are November 1-4 for the Men and November 15-18 for the Women. The Weekend Lay Directors have been busy all summer working on their teams and getting prepared – all we need now is your pilgrim and a whole lot of prayer.

The work that people do is very important to them. From their work they receive an income to live on and they receive affirmation as to they how they are as a person. Much of their value they think is in the work they do. That is why it is hard for people to retire because they think they are giving up their life's value if they stop working. Many of us also think that what we do as a vocation is nothing but temporary or transient. However, I read a quote in a devotion once that read like this, "What are you doing now that will outlive you?" The writer of Psalm 90 reminds us that what we need to do with our lives must have lasting value. The work we do can and needs to outlive us. Paul once wrote, "That which we do we need to do it as we are doing it for the Lord." We need to give ourselves fully to our work because it is for God. The work we do has eternal value. The end of Psalm 90 ends with words of hope, "May the favor of the Lord our God rest upon us."

As we serve the Lord in our Emmaus work we need to always give fully to it, because it can and will outlive us. Many lives have been transformed by our hard work. We are about the eternal business for God. Be praying for the first Encounter coming up in a few weeks. The work we have been doing there as a team, and as a result of the Encounter, will have eternal consequences. May our work outlive us and have a lasting impact for good.
